---

Herb Williams nominated Earle Marie Dingel for the vacant position of Pacific Director.

Carole Strong requested a copy of the Health Survey for review.

Herb Williams reported the last Health Survey for the LCA was done by statistician Michele Marini from Virginia Tech.

Jann Nienhaus offered that Jennie Chen may have some contacts willing to tackle an LCA Health Survey.

Lyle Harding requested a bio on both nominees for the vacant position of Pacific Director.

Jann Nienhaus suggested that Eric Iverson would be a good candidate to fill the Pacific Director position. Lyle Harding agreed and offered background information on Eric's qualifications.

Discussion of nominees and the bio's submitted ensued. Earle Marie Dingel was voted in by a majority of the board to fill the vacant position of Pacific Director.

Debbie King requested information on the agenda for the 2008 Nationals. She had heard a little about formal wear, night show, and an auction separate from the banquet. Discussion of the 2008 Nationals followed with general information provided by JoAllyn Beckett such as the National being a semi formal event to be held in the evening on the first day of the show. Pro's and con's of night shows as well as an auction with and without a dinner were discussed.

JoAllyn Beckett stated that Glenda Martin was to put all the ideas and questions together and pass them on to Janette Swindler. Janette's response was posted on the board. Janette commented the events schedule is still in the planning stage but confirmed the following. The 2008 LCA National is formal/semi requested and is an evening show. Western and Northwest Regional's will be full days with seminars. Banquet and auction will be together accompanied by a silent auction. Discount price for the hotel will come out when the show committee publishes. All information will be in upcoming issues of Headlions.

JoAllyn Beckett extended a Board welcome to Earle Marie Dingel as Pacific Region representative.

JoAllyn Beckett wished everyone a Happy New Year.
